BODY CARE

- PORTUGAL -

SPHAÏRA has a small state of art factory located in the North of Portugal. We extract cold pressed oils from nuts and seeds and formulate our products with a high content of oils and butters. This is the best source of vitamins and nutrients for your skin.

Hair and body wash - made with the most natural and caring surfactants, it gently cleanses the skin and helps strengthen the hair follicle. No sulphates or parabens, no mineral oil.

Conditioner - made with cold pressed macadamia oil and linden extract, it is perfect to hydrate, soften the hair and ideal for adding volume and reducing static electricity.

Hand and body lotion - contains a blend of precious oils, with almond and coconut among the richest. Silk proteins and vitamin E help nurture your skin. Lightweight and quickly absorbed. Paraben-free and mineral oil-free.

Hand wash - made with gentle, skin-loving surfactants, it cleanses the hands effectively while helping keep them soft and comfortable. Sulphate-free, paraben-free, and mineral oil-free.

Our products are free from SLS (sulfates), parabens, mineral oil, GMO ingredients, toxic fragrances and artificial colours.
